Product Description

Bighorn Timberland 450 LX UTV

Elevate your homesteading and outdoor adventures with the robust and versatile Timberland 450 LX! This UTV delivers the ultimate combination of dependable performance and enhanced features.

Its 26 HP engine is powerful enough to handle everyday and not-so-everyday farm chores. Load up to 440 lbs in its durable steel dump bed or hitch a trailer to its standard 2" hitch receiver to tow up to 1,000 lbs.

Electronic Power Steering (EPS) and tilt steering gives you command and control in the most challenging terrains and heavy loads. With an on-demand 2WD/4WD drivetrain and Turf Mode, it ensures optimal traction and the features to protect your lawn.

Want some entertainment while you work? Connect your phone to the Bluetooth-enabled, Apple CarPlay and Android Auto multimedia system to listen to the tunes you love.

The Timberland 450 LX offers the ruggedness and utility required for demanding tasks around your property, while providing the comfort and capability for memorable off-road excursions.
