Product Description

Bighorn 450 Crew UTV

With its spacious design and durable features, the Bighorn 450 Crew UTV is perfect for families and teams that have both people and cargo transportation needs. The independent front and rear suspension systems ensure a smooth ride, even over rugged trails, and the dual ventilated hydraulic disc brakes provide added stopping power for safety.

Whether you're working on the farm or heading out for a weekend adventure with family and friends, the Bighorn 450 Crew offers everything you need in a UTV, with plenty of customization options in colors like Red, Camo, Green, and more to match your style and needs.
