Product Description

Bighorn 550 B UTV

Designed to meet the demands of rural families and outdoor enthusiasts, the Bighorn 550 B UTV offers a spacious 36-inch by 48-inch bed with a 550 lbs capacity for hauling equipment, supplies, or game. The independent double A-arm suspension on both the front and rear ensures a smooth ride over rough terrain, while the ventilated hydraulic disc brakes provide reliable stopping power. With a ground clearance of 9 inches and a wheelbase of 76 inches, it's built for stability and control.

Available in Camo, Red, or Green, the Bighorn 550 B combines powerful performance with creature comfort, making it the ideal choice for those who need a reliable and durable UTV for both work and play on the farm, ranch, and homestead.
