Product Description

Bighorn 550 DX UTV

The Bighorn 550 DX is built for durability and comfort, offering a spacious 36 x 48-inch bed with a 550 lbs capacity to carry tools, supplies, or gear. With a ground clearance of 9 inches and a 76-inch wheelbase, it provides the stability needed for both work and play. The independent double A-arm suspension in the front and rear ensures a smooth ride, even on rough and uneven surfaces, while ventilated hydraulic disc brakes provide reliable stopping power.

Available in Camo, Red, or Green, the Bighorn 550 DX is as rugged as it is functional, making it the perfect vehicle for tackling tough jobs with ease and enjoying outdoor adventures with friends and family.
