Product Description

Bighorn 550 DXH UTV

The 550 series also features a spacious 36 x 48-inch bed with a 550 lbs capacity, perfect for transporting tools and gear. The independent double A-arm suspension in both the front and rear ensures a smooth ride, even over rugged terrain, while the 9-inch ground clearance offers extra stability. With a 76-inch wheelbase and ventilated hydraulic disc brakes, this UTV ensures a safe and steady ride in all conditions.

Available in Camo, Red, or Green, the Bighorn 550 DXH is a reliable and powerful machine for any weather condition, whether you're working the ranch, transporting your family, or embarking on an outdoor adventure
